

EU Agri-Food Climate Policy Conference

The pros and cons of Agri-ETS, Mandatory Climate Standards and the Public Procurement of CRCF Credits.

Tuesday 25 November 2025

13:15 – 16:00

Læderstræde 20, Copenhagen, Denmark (Online option).

[Click here for registration](#)

This event will discuss new European Agricultural Climate Policies for 2040, including AgETS and CRCF credits. Drawing on the latest reports from the EU Commission (DG Clima), the conference will examine the pros and cons of the policy options for Danish and EU agriculture. It will also highlight Denmark's leading role in the EU on Agri-Climate policies.
